ABOUT

Driven data analyst and **IT & Computer Engineering** student at Inha University in Tashkent. I turn raw data into clear, actionable insights — covering the full pipeline from data collection and cleaning through EDA, KPI design, dashboards, and stakeholder presentations. Effective both independently and in cross-functional teams.

TECHNICAL SKILLS

Languages & Libraries
Python (Pandas, NumPy, Matplotlib) · SQL

Databases & Tools
PostgreSQL · Jupyter Notebook · Git

Visualization & BI
Tableau · Matplotlib

Analytics
EDA · Statistical Analysis · KPI Design · Dashboards

EXPERIENCE

Software Engineer

Aug 2025 – Present

Karakalpakstan State University · Remote

- Designed full-stack architecture and PostgreSQL database for a state-funded Aral Sea research platform, digitizing environmental data collection and project evaluation workflows.
- Built Python backend systems for processing, storing, and managing scientific materials, fully eliminating manual data entry.
- Developed an interactive digital portal centralizing ecological data to support data-driven decision-making for multidisciplinary research teams.

PROJECTS

Tashkent Real Estate Market Analysis 2025

Stack: Python · Pandas · Matplotlib

- Analyzed price dynamics and trends in the primary residential market; benchmarked major developers by district.
- Identified high-investment zones via geospatial segmentation and trend forecasting.
- Delivered visualizations and reports with actionable investment recommendations for leadership.

Olist E-Commerce Operations Audit 2024

Stack: Python · Pandas · NumPy · Matplotlib · SQL

- Conducted a comprehensive audit to uncover logistics bottlenecks and operational inefficiencies.
- Cleaned large raw datasets; designed KPIs and regional performance dashboards.
- Identified key inefficiencies and growth opportunities; produced structured recommendations.

EDUCATION & LANGUAGES

B.Sc. Information Technology & Computer Engineering

Inha University in Tashkent · Sep 2024 – Aug 2028 (expected) · GPA: 3.68 / 4.5

Data Structures · Database Management · Probability & Statistics · Programming Fundamentals

Certifications:
Pandas for Data Analysis — Kaggle (2026) · IELTS 6.0

Languages
Karakalpak & Uzbek **Native**
Russian & Kazakh **Fluent**
English **B2 · IELTS 6.0**
